

Half term overview- Leaves Pathway

This is an overview of the Leaves Pathway curriculum for the Autumn 1 term. This overview gives you a brief explanation of what the pupils will be exploring and learning.

Thematic Unit This half term our thematic units encompass the concept of “all about me”. Our younger pupils are thinking about the questions of: “What do I know about myself?” and “Is everyone’s home the same?”; while our older students are working towards answering the question: “What are my hopes for my future life?” 		English In English we are exploring a range of different stories across our pathway. Emerald Class are exploring the story of Oliver’s Vegetables, Ruby class are learning about Elmer and the different stories she features in, Amber class are reading the story of Iron Man and Opal Class are working on Paddington and his adventures around the world. 	Phonics/ Reading We will continue to teach phonics in our differentiated groups within our own classes. Throughout the half term we will continue with our small group reading and library sessions. 	Cookery This half term we are learning how to use kitchen appliances safely and correctly. We will be learning how to use appliances such as the kettle and microwave. We will be learning how to make meals, snacks and hot drinks using these appliances. 	
Art This half term we will be learning to create artwork in the style of artists who are known for the print making. Across the pathway we will be exploring the artwork of Paul Klee’s Block painting, Andy Warhol’s Pop Art and William Morris` printing.	Swimming This half term Ruby class, Amber class and Opal class are all swimming on Tuesday mornings and will continue to do so until the end of the term.	Leaves Pathway Emerald Class Ruby Class Amber Class Opal Class  Autumn 1 Overview		Maths This half term in maths we are developing our place value and number skills. We will be learning how to represent numbers and use our number knowledge to support us with understanding and solving calculations. 	PE This half term in PE, we will be learning how to play ball games such as hockey. John will be teaching us how to play group games in small teams and how to develop our control and hand eye coordination.
