

Shoots Key Stage 2 Newsletter

This week we have all enjoyed being back in school. It has been a very special week with our Star Of The Week assemblies now happening back in school - it was a great celebration to end the week!

With the fantastic sunny weather we have had we have all enjoyed being outside more this week. We have been on lots of fantastic walks, taken our learning outside and even done PE outside!

News

Silver Class – We have had a very busy week - making sheep as part of learning about animals and wildlife, playing instruments fast and slow and acting out our story The tiger who came for tea.

Pearl Class – We have been collaborating more in the sand pit and it has been lovely to see them working together. We have used instruments to show fast and slow ways of shaking. We also have been sorting straight and curved lines in math.
