

Shoots Key Stage 2 Newsletter

This week in our assembly we were learning about the Jewish festival of Hannukah and we found out the children are given gold chocolate coins called Gelt as part of celebrating the festival, we were all lucky enough to be given a chocolate gold coin to eat whilst we were watching a powerpoint about their celebrations.

We have continued reading and exploring the traditional tale of Goldilocks and the Three Bears, some of the children are excellent at being able to role play and retell the story. In the next few weeks we will be looking at different versions of the story.

The children have also been very creative and making lots of different types of puppets, such as wooden spoon, finger puppets and sock puppets. Also making castles out of cardboard and wands and different types of props from the stories.

Yellow class have been very busy outside in the playground raking up leaves and helping to tidy up the outside area, they look like they are doing a great job....well done Yellow class...let's hope the wind does not blow any more leaves down or you will be very busy.

Gold class have been working hard in PSHE and learning how to clean their teeth properly, they have their own toothbrushes and toothpaste and have been checking in the mirror to make sure they don't forget those teeth at the back of their mouth.

Silver class walked to Poundland and had some money to spend to buy a gift for another child for Christmas, a great way to learn about using money and to remember how it is nice to be thinking of others at this time of year.
