As we come to the end of the term, we have had an amazing final week. On Tuesday we enjoyed Winter Wonderland which was attended by an amazing 45 families! The children had lots of fun selling all the things they had made as well as buying lots of the things that other classes had made.

We have raised lots of money which will be spent on some new sensory resources for our outside area so watch this space for updates!

We had a very special visitor at Richmond Hill this week - Santa! Every child was lucky enough to go to visit Santa and they each received a small gift. We visited him in his magical grotto at West site and he even had an elf as his special helper.

On Wednesday we had our Christmas dinner at school which was a highlight to the week. Lots of the staff helped to serve the dinners on that special day and we all wore hats and many of us enjoyed pulling Christmas crackers.
