

Shoots Key Stage 2 Newsletter

This week in Shoots we have been continuing our Superhero topic and some of the classes have been putting up their work on their display boards, as you can see from the photos.

It has been a nice sunny week and we have been able to make full use of the outside areas in the school, the go karts, bikes and zip wire all support our outside learning.

We are getting ready for our next event on Friday which is red nose day and we will have lots of fun making red nose biscuits and going on red nose hunts.

Silver, Yellow and Pearl have been learning the festival of Ramadan and read the story of Under the Ramadan Moon. They have been exploring their super senses. Last week they did some blindfolded obstacle courses to test their sight. Also being blindfolded to listen to sounds and try and guess them (in picture above)

Gold, Sapphire and Diamond have been exploring the Superhero powers of push and pull and friction. As you can see from the photo we did an investigation to see which surface the car would move quickest. We also had fun doing tug of war to explore the term pulling. We had lots of different toys to test out to see if we need to pull them or push them.
