

Shoots Key Stage 2 Newsletter

This week in Shoots we have been continuing our Keeping Safe topic. We have been looking at ways of keeping safe outdoors, from the sun and also if we are near water

It has been a nice sunny week and we have been able to make full use of the outside areas in the school, the go karts, sandpit and garden all support our outside learning.

We are getting ready for our next event on Friday which is Wiggle and Dance to raise money for Happy Days which is a charity that raises money to support trips and organizing events for children.

Some of the children who are transitioning to a different school in September have been visiting their new schools. The children who are going to Woodlands were lucky enough to visit the café this week and use some money to buy some snacks.

We have been continuing to encourage independence for our Values, to help earn house points for the house we are in. The houses are fire, air, water and earth. The children have been doing their own washing up and clearing away after snack times and breakfast to earn points.
