

Shoots Key Stage 2 Newsletter

We have enjoyed the change of weather and sunshine this week.

On Friday it was anti-cyberbullying day. We have completed some lovely learning on the importance of being kind in person and online.

Gold class went on a fantastic trip to get some plants for their garden plot from the nursery. That will certainly brighten up the garden.

Some of our Year 6 had a lovely time on their transition taster day to Windmill High School. The children were fantastic and a credit to themselves and the school. They will be sorely missed when they leave this summer.
