

Shoots Key Stage 2 Newsletter

This week in Shoots we have been continuing working hard despite the warm weather. We have found ways of keeping cool in the sun as you can see from the photograph.

Shoots have been exploring money this week and they made a pretend shop that they had to go and buy items from and count out the money themselves.

We are having a regular dance slot now on Friday for the children in the afternoon as they have so much fun dancing, at the moment the children are choosing what to call the afternoon.

Lots of the children in PE have been training for our sports day which is being held over the week of 12th, 13th and 14th July and this year we are hoping to have parents again to come and watch which will be lovely.

Please remember as well it is our Summer Fayre on Saturday 2nd July and there will be lots of stalls and fun things for you and your family to do, it will also be a chance for you to show the rest of your family Richmond Hill School.
