It has been a great week at RHS, we have had two fantastic days where we have celebrated World Book Day and our superhero WOW day! The children got to hear some lovely stories in different languages on world book day, which they all loved. Friday's superhero day was a very exciting day, it was lovely to see so many children coming into school dressed up, with big smiles on their faces. The children engaged in lots of fun activities throughout the day as you can see from the lovely pictures displayed above.
