Green Class - **Abdullah** for talking more in class and using adult's names

Red Class - **Scarlett** for great weighing work in Maths

Blue Class - **Haniya** for becoming her own person

News

It has been a great week at RHS, I have seen lots of smiley faces around the school, which is fantastic to see. There has been a lot going on at Richmond Hill School this week. We have had 'Uniplay' on site adding lots of exciting markings to our outside playground spaces. These new creations will create lots of new opportunities for fun and engaging outdoor learning to take place for our children. We now have a cycle track, sports court, fitness trail, target practice section plus lots of bright images that will help our children with their numbers, colours, shapes, phonics and gross motor skills.
