## News

This week the Shoots children in Key stage 1 have been busily decorating their class doors for Christmas. We had lots of different designs and ideas.

On Friday it was Christmas jumper day and we continued to make our classrooms festive. The children are creating their Goldilocks scenes for their Christmas Performance and we will share the performance virtually on the website.

In English we are now looking at the book The Gingerbread man and completing lots of fun and engaging tasks linked to this text.
