

Shoots Key Stage 1 Newsletter

News

This week in topic we have been enjoying the story The Little Mermaid. This story has been linked with the season of summer where we have been doing activities about the sun, the beach and the sea. For each season we learn about, we create a tree, this week we made a tree in summer with lots of nice green leaves, the children have particularly enjoyed doing this.

In English we are doing lots of different activities about our story, Goldilocks and the Three Bears, the children like to see their hard work displayed around the classroom.

News

On Friday we watched a video to pay our respects for Remembrance Day, the children also made poppies using a range of different templates and materials.

Orange and Red class have enjoyed their trip to Salto Gym where they have had the opportunity to use all of the lovely equipment including a large inflatable slide and a trampoline.
