

Welcome back Hummingbirds!

I hope you are all well and I am looking forward to speaking to you over the phone over the next few days!

I have attached our Curriculum Overview for the current term. Each week I will upload activities that you can do at home that are related to our Topic.

English:

This week we were going to start exploring the story called Jasper's beanstalk and children were going to plant their own beans in their "green houses". For this activity you will need: a bean, cotton wool and a zip lock bag. Place some cotton wool in a zip lock bag, add the bean and water the cotton wool. You can Sellotape it to the window and watch it grow 😊

Here is a picture of what it was going to look like:

Here is a link to the story that you can have a look at 😊

For mark making session you could use vegetables to do some, e.g. potato printing:

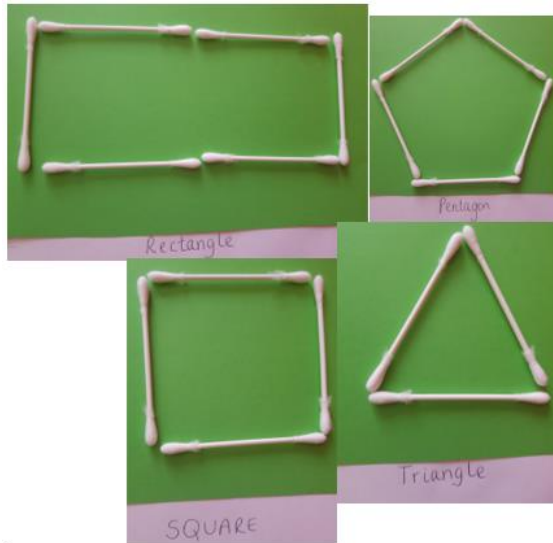

Maths:

During this week we were going to explore Shapes.

Here are some ideas that you can do with your child:

1. Making shapes using q-tips

2. Using masking tape to make shapes and then tracing them using different blocks, toys, etc

Topic:

Our Topic is term is Kings, Queens and All Things Royal. Here are some songs/videos you may want to listen to at home:

You could also make a paper crown using cut up shapes

Or decorate a crown on Purple Mash website (login details have been sent home with home school learning packs, or added to the home school books)

1. login
2. Search: crown
3. scroll down to "Other" and choose King's crown-children can change colours and select the size of the marker
