

Thursday's Fine Motor Activity

Threading

You will need...

- Dried pasta / shoelace

- Playdough

- Cheerios / pasta

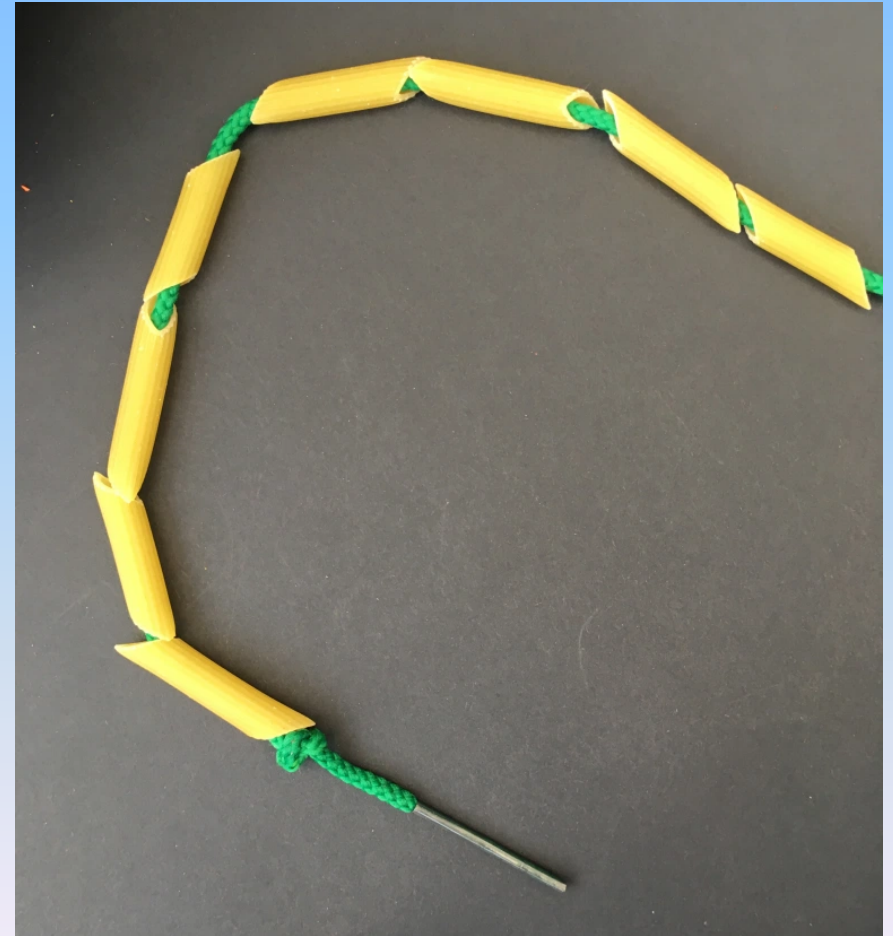

Spaghetti and Cheerios

- Start by sticking the dried spaghetti in the playdough
- Then using the pincer grip, pick up the cheerios and thread onto the spaghetti.

Pasta and shoelace

- Tie a knot at one end of the shoe lace.
- Then using your pincer grips, hold the lace in one hand and a pasta tube in the other hand.
- Begin threading the pasta onto the shoe lace.

Extra activities

- Challenge the children to use their maths skills by adding a given amount of cheerios or pasta tubes e.g. add 10, 15, 20, etc.
