

 I  am  coming to school.

 School  will  be  different  for a  while  and  I  may  feel worried.

 All  the  adults  in school  are  there  to  look after  me  and  help

  
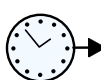

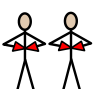

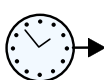

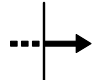

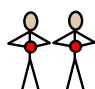

me.

 I  might  be  in  a  different  classroom  and  with  different  adults.

 I  will  be  in  a  school  a  shorter  amount  of  time.

 At  school  I  will  do  fun  activities

 When  everyone  is  healthy  again  all  the  other  adults  and  children

 will  return to  school  and  we  will  continue  our  learning.
