

Richmond Hill School Sports Premium key achievements for 2024-25.

Aligned with the OFSTED guidance and the five key indicators for Primary PE and Sport Premium funding:

Activity/Action	Impact	Comments	Expenditure (£)
To further develop pupils' gross and fine motor skills; to address pupils' sensory and physical needs	Enhanced motor skill development leading to improved coordination, balance, and physical confidence	Activities tailored to individual sensory and physical profiles; progress monitored to ensure effective support	£5,600
To further support pupils' sensory and physical needs throughout the day	Increased engagement and comfort for pupils with sensory and physical challenges, promoting sustained activity	Sensory breaks and adapted physical activities integrated into daily routines	£9,663
To increase the physical exercise opportunities for pupils across the school in different environments	Broader access to varied physical activities encouraging moderate to vigorous exercise in diverse settings	Use of indoor and outdoor spaces maximised; activities adapted to meet all pupils' needs	£2,000
To ensure that the resources are safe and frequently updated and repaired	Safe, reliable equipment supports effective teaching and learning in PE and physical development	Regular audits and maintenance schedules in place; resources replaced or repaired promptly to maintain quality	£1,437
