

The image contains two identical frog fly count cards side-by-side. Each card features a green frog with a red tongue sticking out at the bottom. Above the frog are several black flies with white wings. Below the frog are three numbered boxes. On the left card, there are 10 flies and the boxes contain the numbers 10, 11, and 12. On the right card, there are 12 flies and the boxes contain the numbers 12, 11, and 10.
