Sensory Play – Handmade threaded bird feeder Tuff Tray Indoor/Outdoor Activity

Choose your Learning Objective for each child or focus as a group:

1. Exposure to dry texture activity
2. Fine-motor- finger isolation threading skills
3. Fine-motor- finger & hand strength
4. Finding & Counting with Numicon, Ordinal & cardinal number recognition
5. Creative development
6. Imaginative play & roleplay
7. Cause & effect activity –threading

To create this yourself you will need:

- cheerios cereal, pipe cleaners
- Thread the cheerios onto the pipe cleaners.
- Twist the top to make a loop & hang on the bird feeder or branch.

Have FUN! & please send me pictures of your versions of this or your little learners having fun play with it!
