

pets

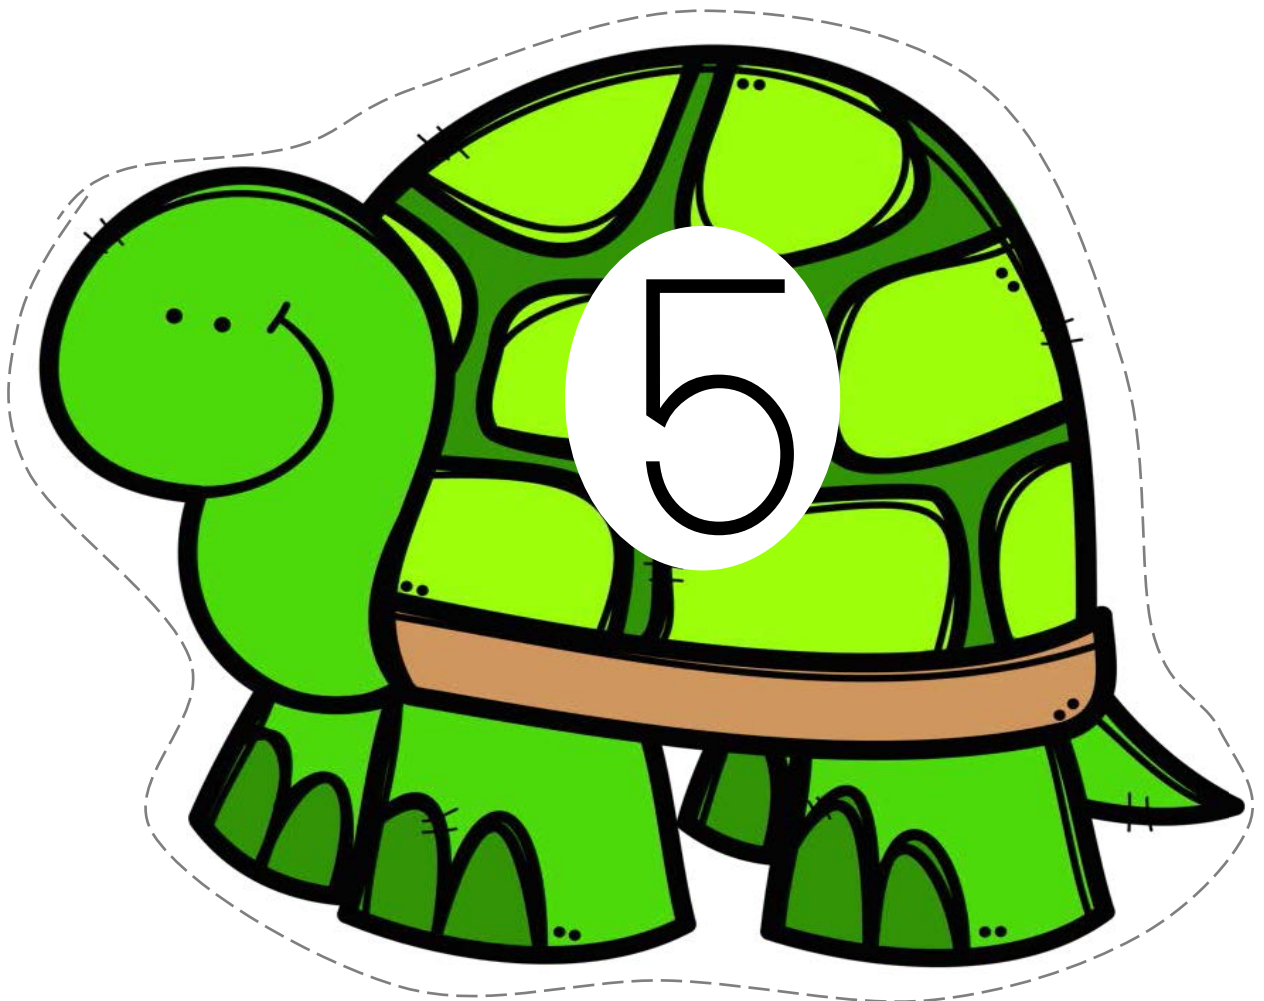

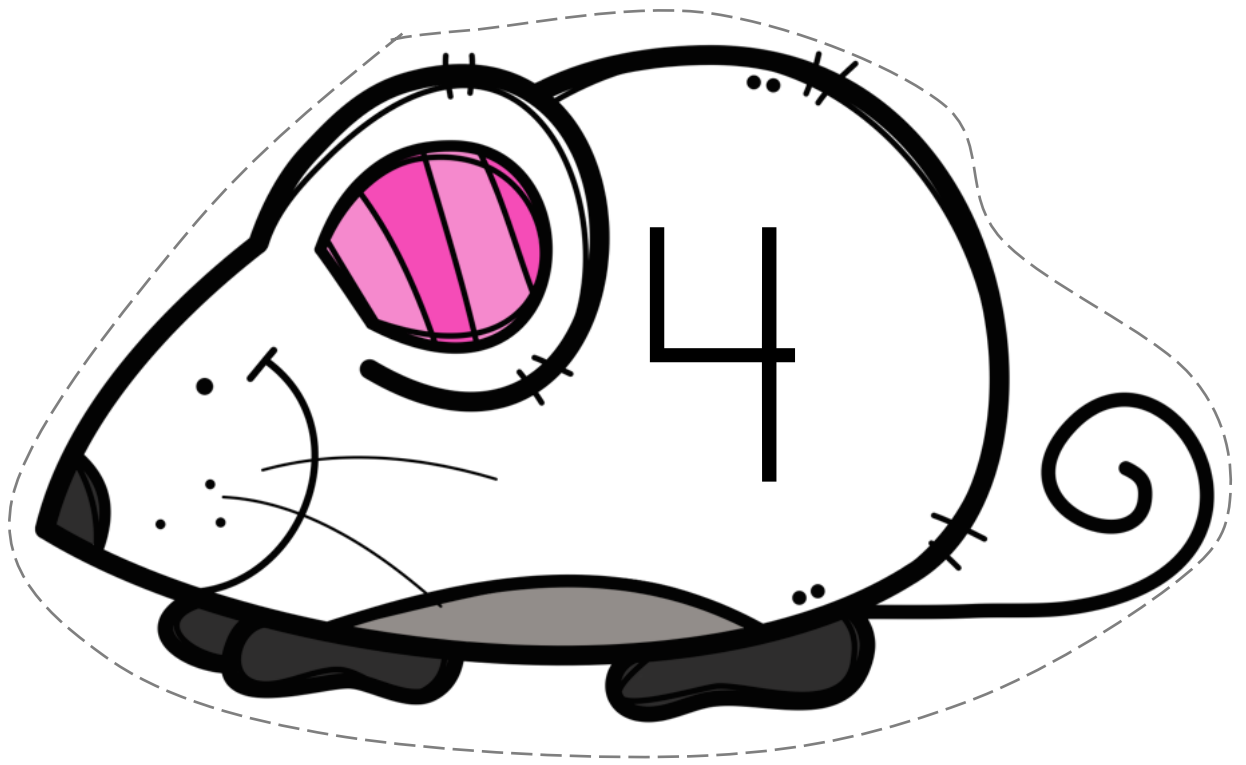

counting

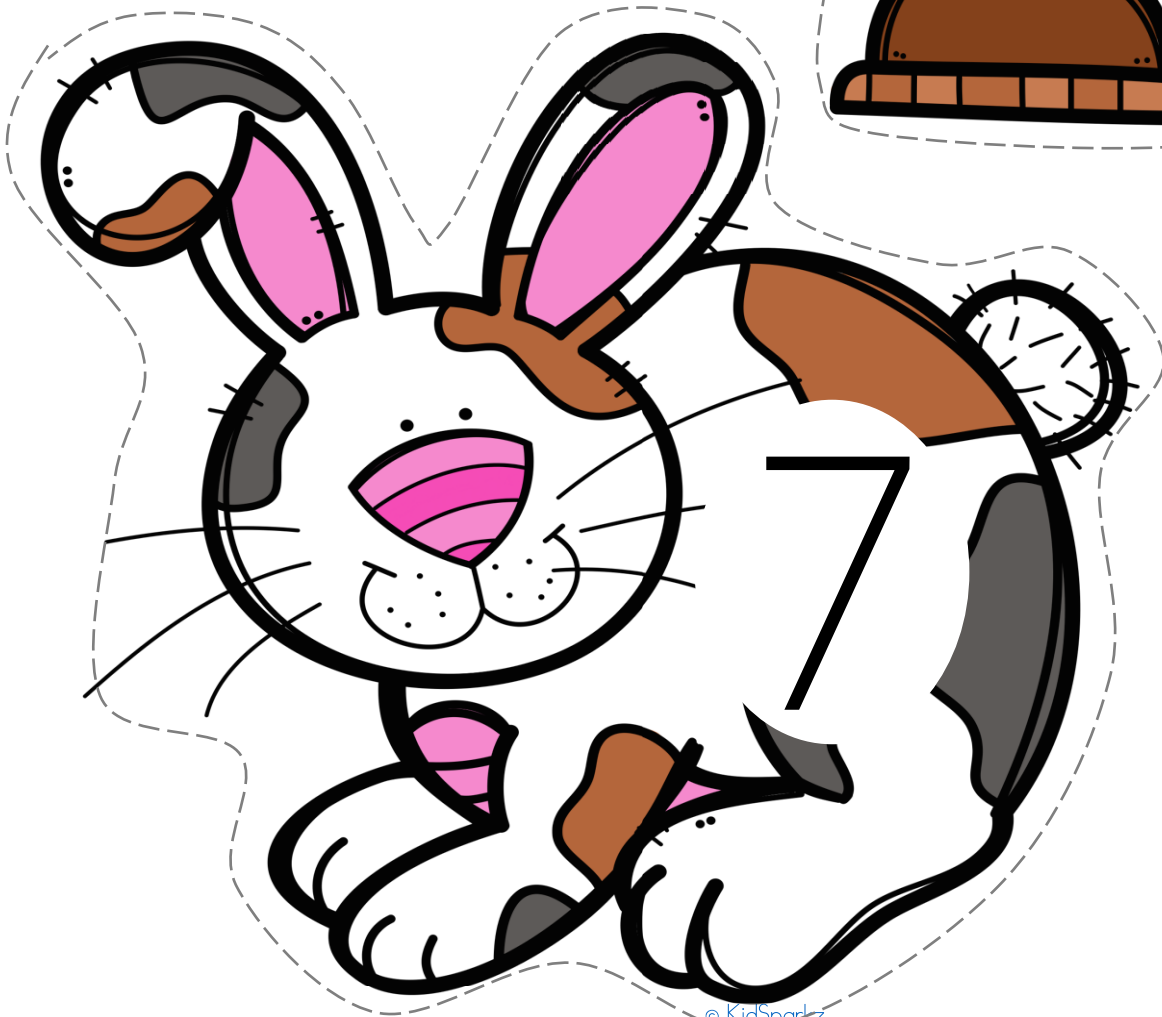

0-20

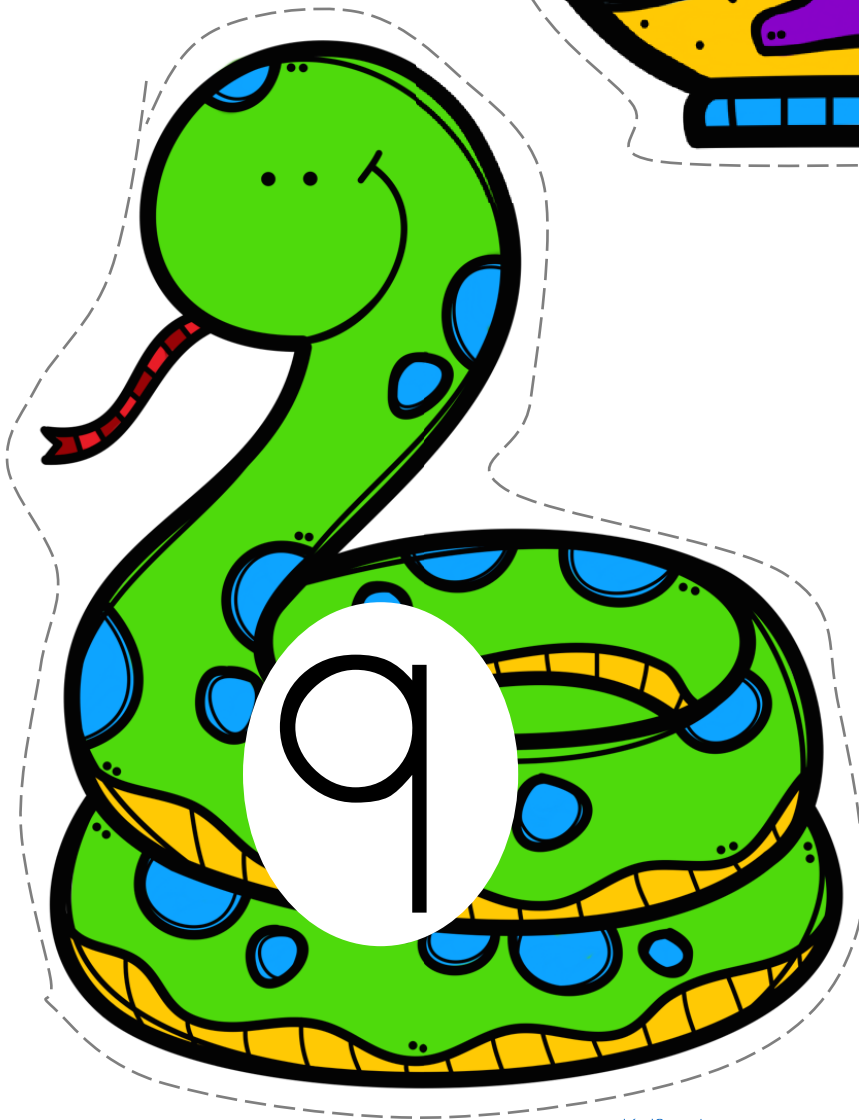

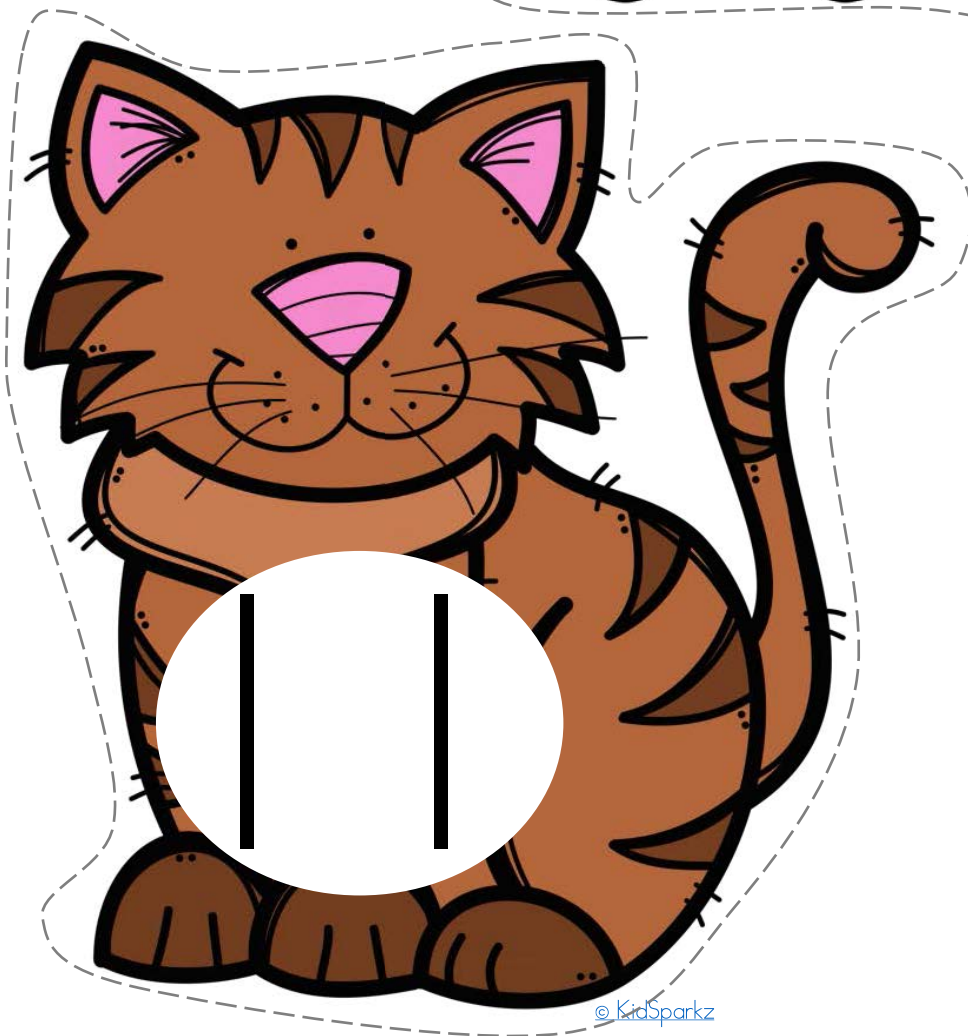

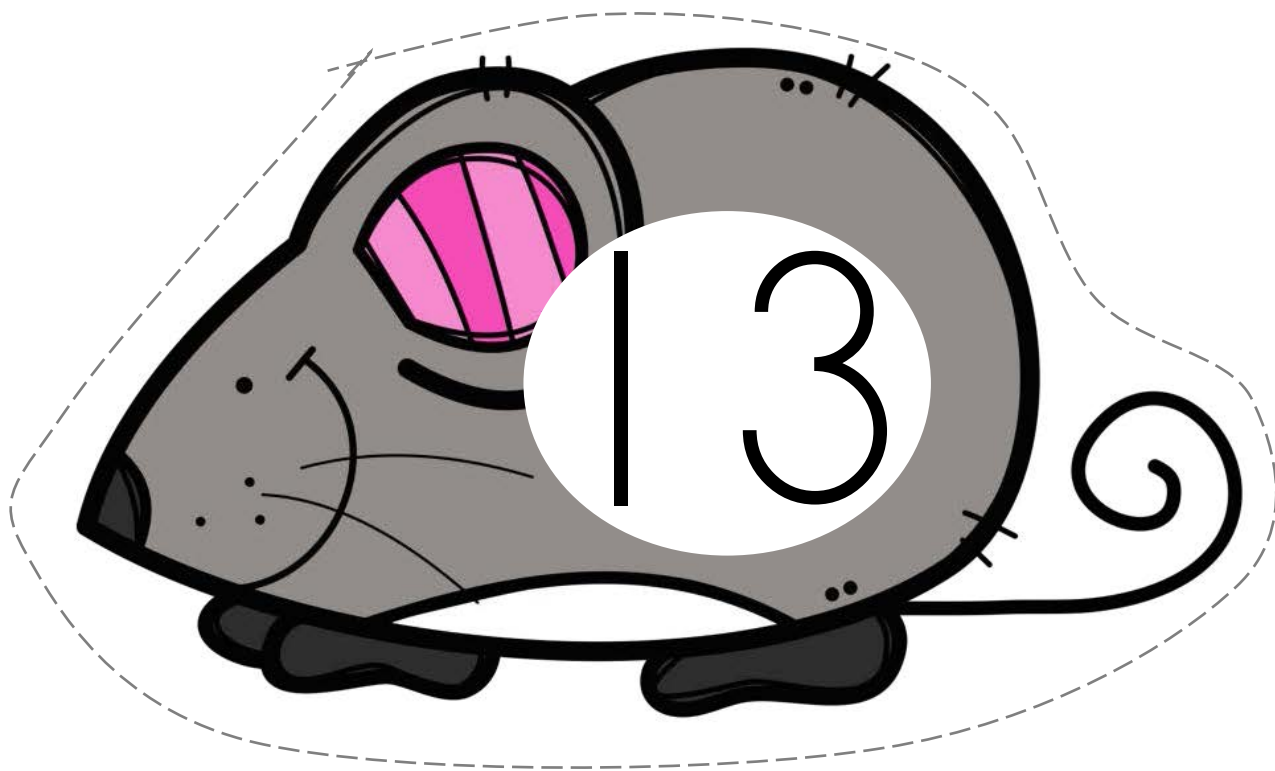

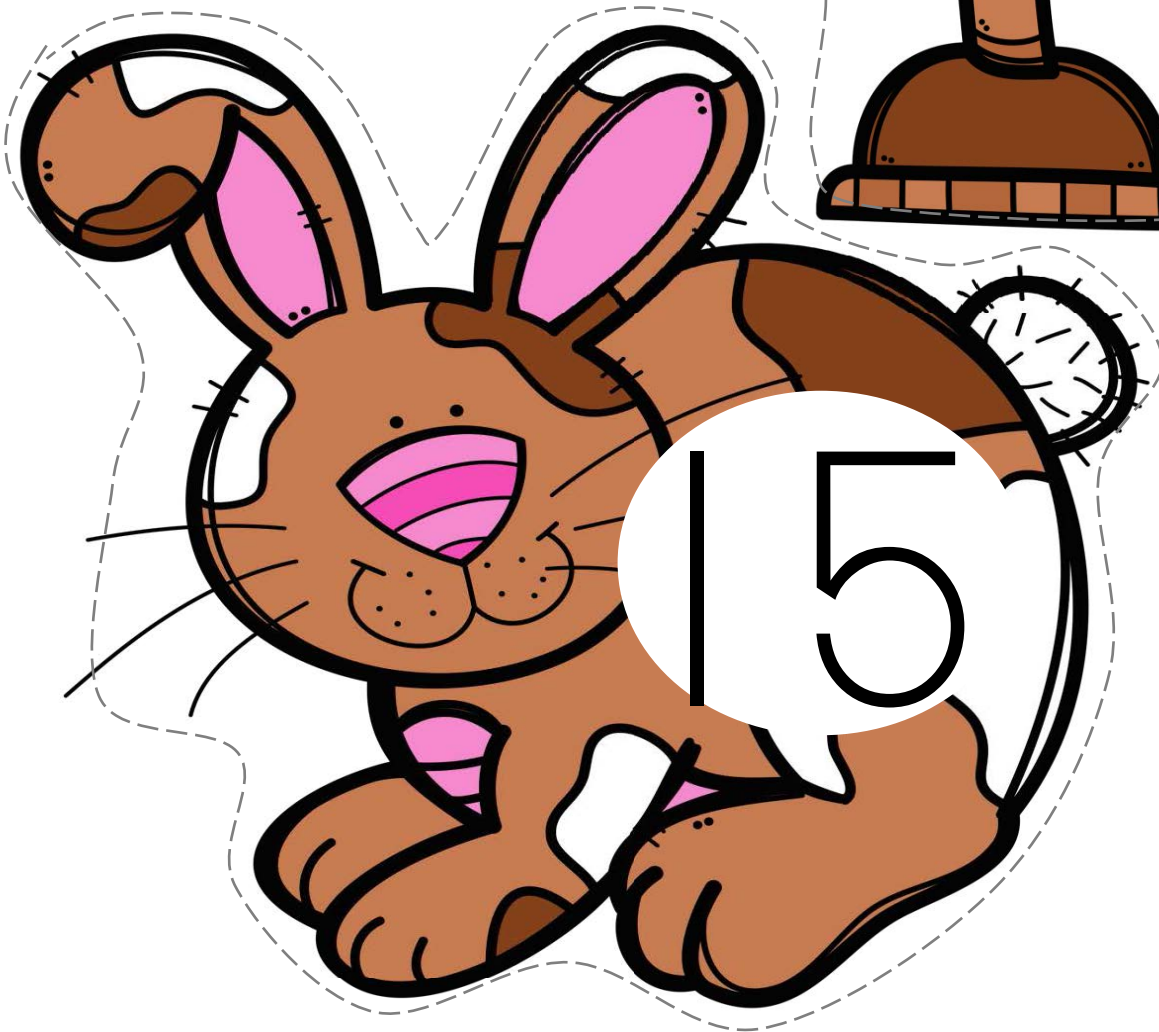

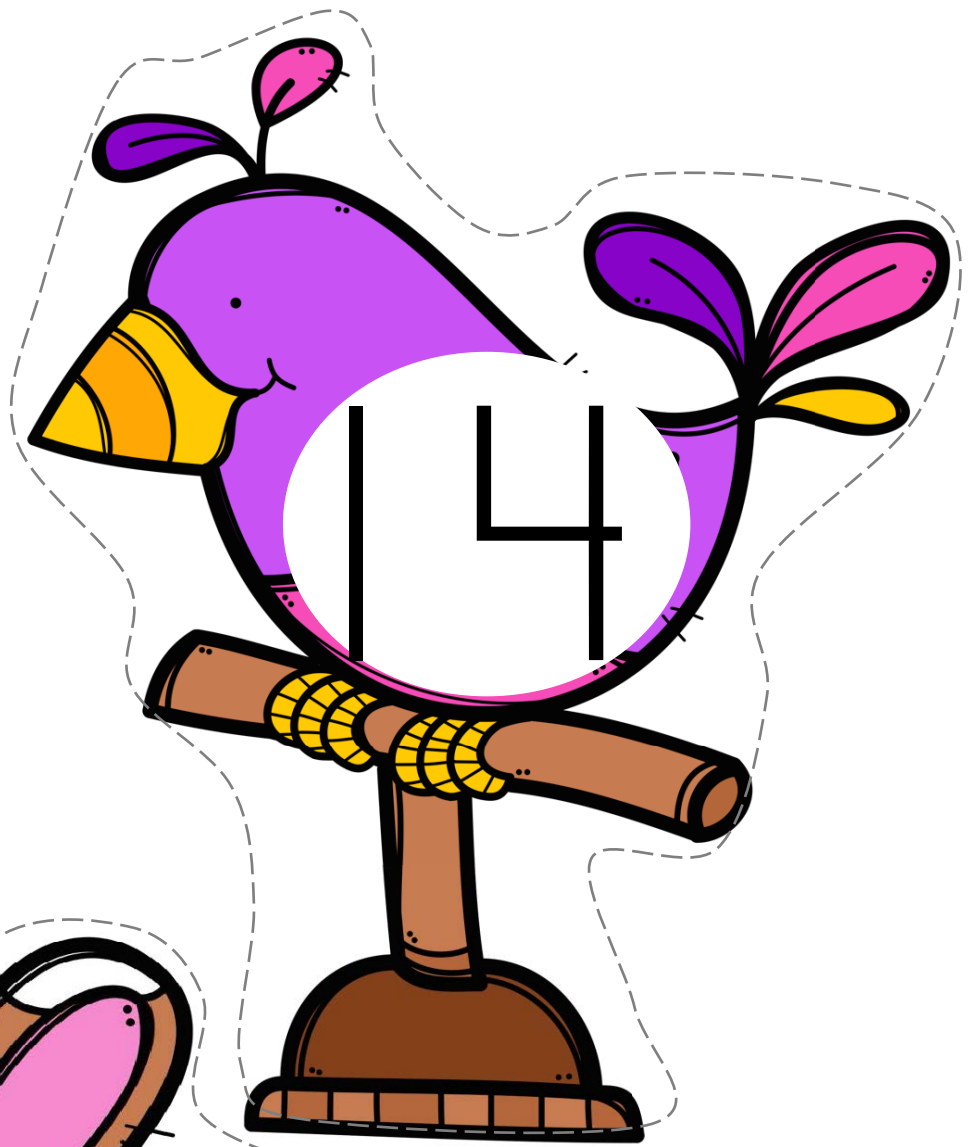

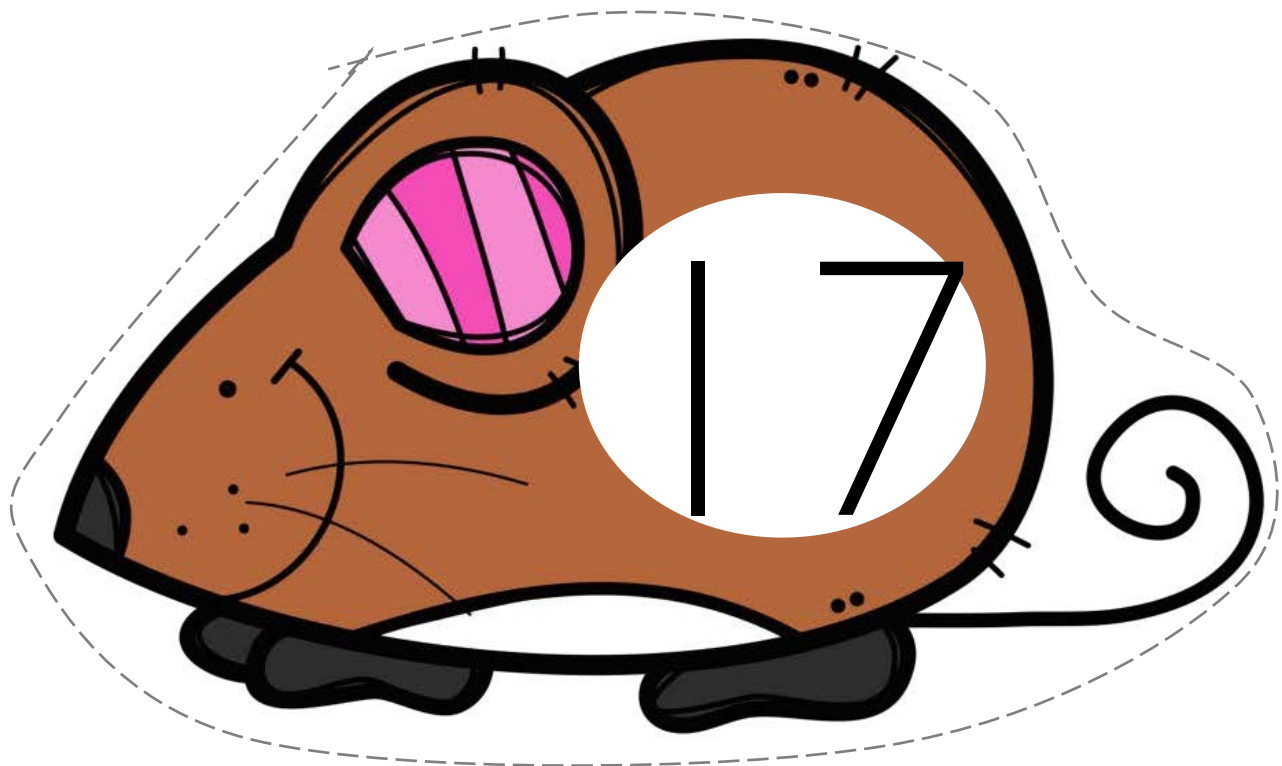

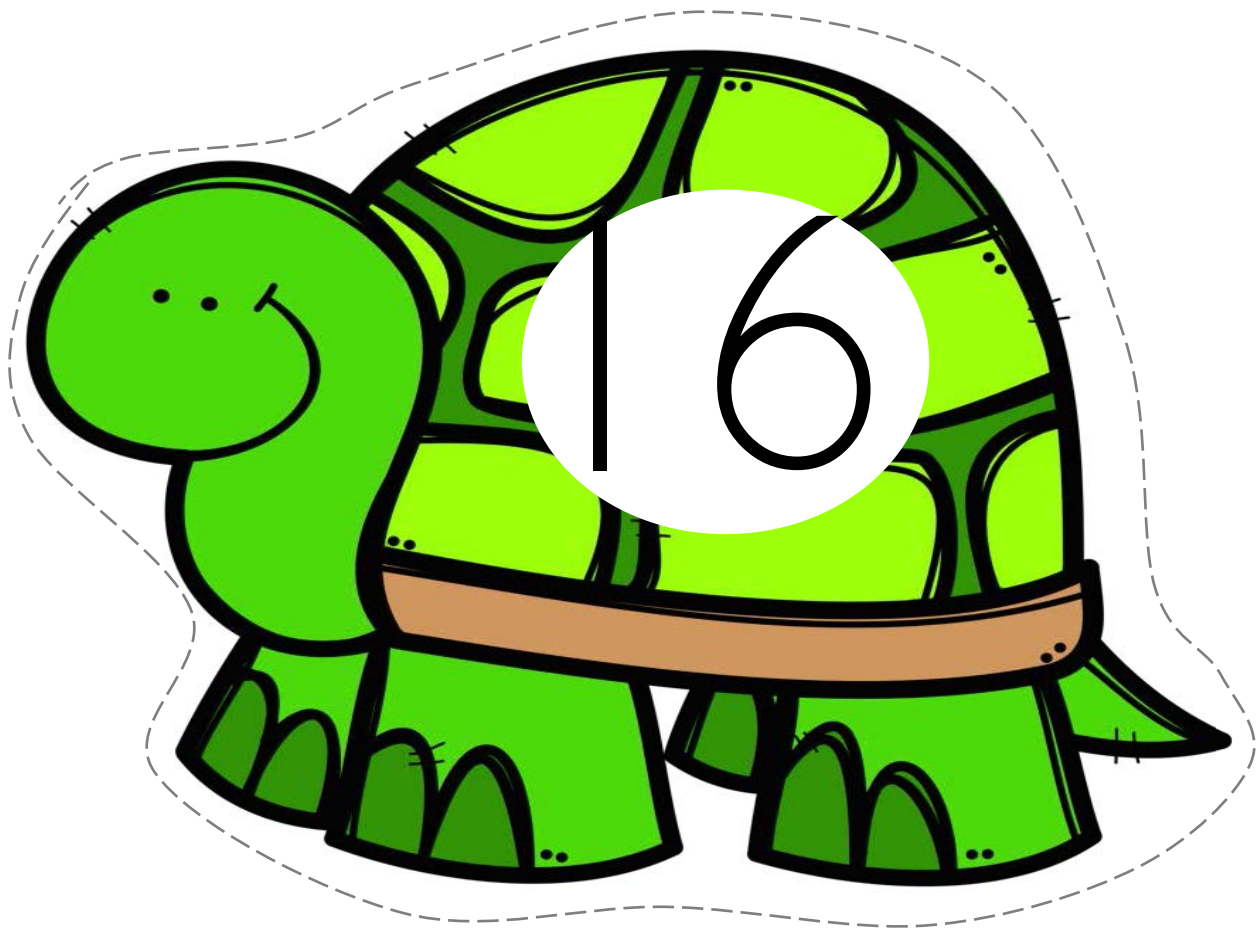

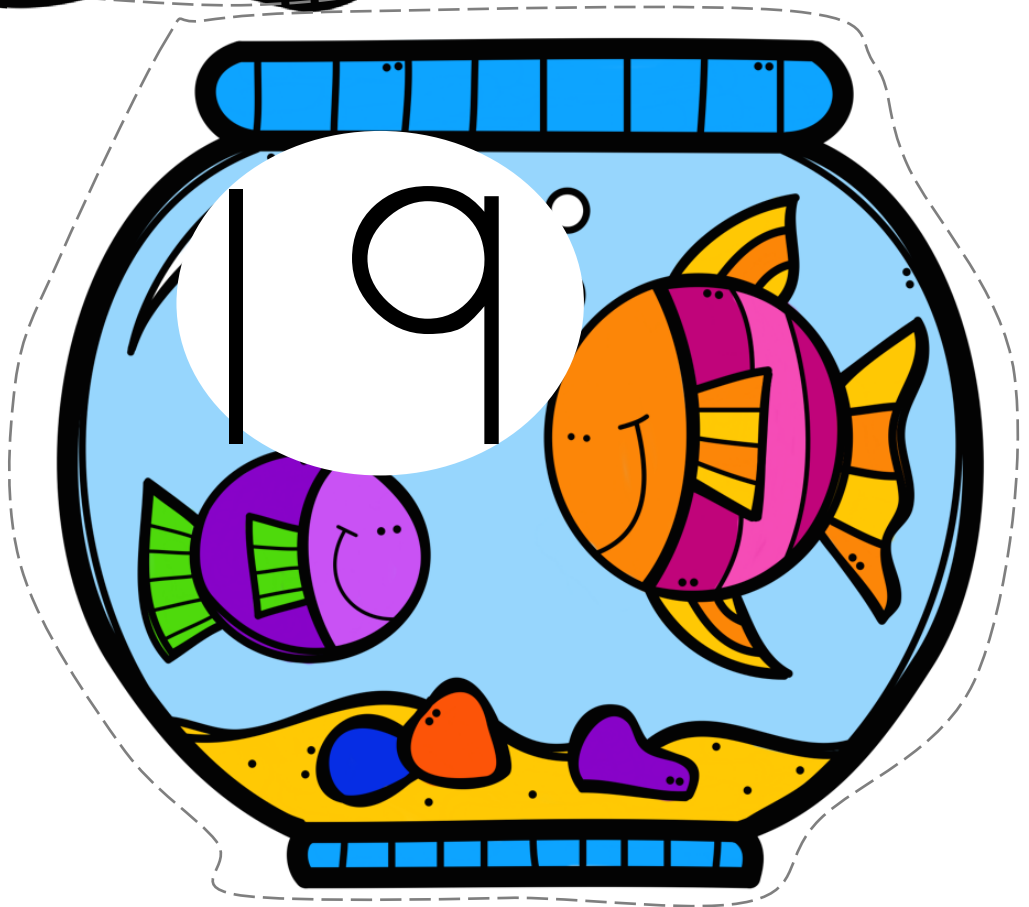

This is a set of animals that can be pets, numbered 0-20, to use for early learners - preschool, pre-K and Kindergarten. Large pieces for little hands. Animals included are: dog, cat, hamster, fish, snake, rabbit, bird, parrot, mouse, and turtle.

Print pages on cardstock, laminate for longer use, and cut out animals. Use for number sequencing, number matching (print 2 copies), pet matching. Make up your own games to suit your teaching goals.

I add FREE items often. Follow on TpT and Pinterest to get them as soon as they are listed.
