

## Week 4- Ahoy!

We hope you are all well and staying safe.

This half term, our topic would have been Treasure Island. This week we would have been looking at Pirates. Below are some ideas that you can explore at home:

### 1. Paper Plate Pirates:

### 2. Paper plate Pirate Ship

### 3. Treasure Hunt

- Using bowls, cups, pots, etc explore the terms Full/Empty. Encourage your child to fill up different sized containers by saying "more"
- Explore wet/dry sand using sieves and sand toys
- Sorting objects by colour: hide different objects in the sand and add different coloured pots/cups. Encourage your child to find "the treasure" and place it in the correct pot/cup

#### 4. Make a Pirate ship using an egg box

Explore Floating/sinking with your child by adding more items to the ship.

Here are some Pirate songs you may want to listen to with your child:
