

WALT: Solve problems in numeracy

Snowdrops, I
need your help!

Dear Sarah and Purple class

My name is Captain Subtraction and I come from a planet far, far away. My most famous superpower is being amazing at maths but I write to you for help. I have some maths problems that I just can't solve and I have heard that you are all fantastic at maths.

Can you help me?

Love from,

Captain Subtraction

Ben 10 is having a birthday party, he invites 5 friends. Each person needs a balloon, a hat and a cake. Can you make sure they get everything?

Sportacus has run out of sports candy and needs to buy some more. He needs to pay the right amount for everything. Can you help him?
