

## Chocolate Puffy Edible Paint Recipe

### Ingredients

- $\frac{1}{2}$  cup flour
- $\frac{1}{2}$  cup salt
- $\frac{1}{2}$  cup water
- 2 tbsp Cocoa powder

### Equipment

- Funnel
- Squeezy bottles
- Brushes
- Paper
- Ziplock bag

### Method

1. Mix flour, salt, water and cocoa powder in a ziplock bag.
2. Close the bag up and mix the ingredients, squishing it all together.
3. Try to get rid of all the lumps without the bag popping open.
4. Children will enjoy this part of the making too!
5. How you then use the paint is up to you.
6. You could use a funnel and pour it into squeezy bottles or put it in tubs for the children to use with their fingers and brushes!
