| <div>Topic</div> <p>Our Thematic unit this half term is 'Natural World' with our focus being 'Plants'. We will be, looking at the following themes:-</p> <ul style="list-style-type: none"><li>• Recognising plants and non plants</li><li>• Naming and exploring parts of a plant / flower</li><li>• Life cycle of plants (exploring seeds and growing plants)</li><li>• How to care for plants</li></ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                     | <div>Maths</div> <p>We will be covering number, measure and using and applying each week. The children will typically have two classroom based lessons and one computer based lesson. These will focus on: counting, quantities, size, positional language , coins and role play shopping.</p> <div></div>                           | <div>English</div> <p>This half term our school focus is on famous authors. As we have had limited opportunity to explore our Spring books we will be reading books by Julia Donaldson (A Squash and a Squeeze and Room on the Broom)</p> <div></div> <p>We will be developing reading skills, word and symbol matching, sequencing as well as practising our storytelling and role play skills in activities linked to the story.</p> | <div>Phonics/ Reading</div> <p>Pupils will be learning the sounds of letters and how to blend sounds to read words. They will continue to use the Read, Write, Inc scheme.</p> <p>Pupils will continue to work on individual communication methods in class, such as PECs, colourful semantics and shape coding. In reading the pupils will match / read words and take part in early reading using books, laminated resources, games and the interactive whiteboard.</p> | <div>Cookery</div> <p>Shoots cookery focus this half term is sweet muffins.</p> <p>Wk 1 Classic muffin<br/>Wk 2 Blueberry muffin<br/>Wk 3 Choc chip muffin<br/>Wk 4 Apple and cinnamon muffin<br/>Wk 5 Cinnamon and raisin muffin<br/>Wk 6 Banana muffin</p> <div></div>   |
| <div>Computing</div> <p>In Computing we will continue to extend our computer skills, using ICT to support our learning in Topic, English and Maths.</p> <div></div>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <div>Expressive Arts</div> <p>This half term in Expressive Arts our focus will be Ramadan and Lyrical / contemporary dance. The children will practise dancing, freezing and explore positions.</p> <div>Science</div> <p>Science will be taught in a fun and practical way linked to the topic and also through art activities.</p> | <div>Green Class</div> <div>Natural World</div> <div></div> <div>Summer 1 Overview</div>                                                                                                                                                                                                                                                                                                                                               | <div>Speech &amp; Language</div> <p>We will continue to focus on the pupils' communication throughout the school day and have a specific speaking and listening session. These opportunities will focus on extending listening skills, using speech and communication books, taking turns and asking / answering simple questions.</p>                                                                                                                                    | <div>PE</div> <p>This half term in PE, the children will be focussing on coordination, balance, agility and overall gross motor skills.</p> <p>In addition in each class the children will continue to do power walks where possible and daily exercise through dance.</p> |
| <div>Home work</div> <ul style="list-style-type: none"><li>- Share the stories 'A Squash and a Squeeze' and 'Room on the Broom'</li><li>- Look at real animals or pictures of different farm animals</li><li>- Small world play with toys or dress up and role play the story</li><li>- Explore drawing, my turn / your turn to show how to draw</li><li>- Have fun printing with root vegetables or stampers</li><li>- Explore planting and caring for plants in the garden or in the home</li><li>- Make your own muffins</li><li>- Investigate capacity / squashing and squeezing using different containers during cooking, bathtime or as a play activity</li><li>- Explore positional language in, on and under and hide items to find</li><li>- Join in with 'shopping' as role play or real life. Practice handing over 1p coins for an item</li></ul> |                                                                                                                                                                                                                                                                                                                                      | <div>Trips</div> <p>At the moment this half term we have not planned any trips, due to the covid 19 situation. When the situation changes I will contact you with information regarding any future trips.</p> <p>We will continue to do a power walk around the local area when possible, typically daily Monday - Wednesday afternoons.</p>                                                                                           | <div>Important dates</div> <p>Any important dates will be mailed to you either by myself via Green Class email, on the RHS website or parent mail.</p>                                                                                                                                                                                                                                                                                                                    | <div>PSHE</div> <p>This half term our value is 'happiness' and during our PSHE lessons we will also begin our RSE work focusing on being a boy / girl, bodies, touch (kind / inappropriate), friendships and hygiene.</p>                                                  |
