

**Curriculum overview
Summer 2
Splish, Splash, Splosh!**

Please find below the Key stage one curriculum overview for Summer 2 term. The overview gives you a brief explanation of what the pupils will be doing in school. It also gives you suggestions for activities to support pupils learning at home. These are only suggestions, not compulsory activities.

<p style="text-align: center;">Literacy</p> <p>This half term children will be reading the story "Sliiy Susie Goosel" Pupils will be learning about different animals and the skills they have. Children will be given the chance to think about the things that they are good at too! During colourful semantics some pupils will be developing their understanding of who questions. Other pupils will be answer who, what doing and where questions.</p> <p>At home: Look at the story online together https://www.youtube.com/watch?v=lv95guxrk6k</p> <p>You can take photos of the things that your child is good at doing at home.</p>	<p style="text-align: center;">Art</p> <p>Pupils will be developing their fine motor skills, requesting skills, colour recognition and independence skills through a range of activities related to water: painting with ice, marble painting, "painting in the rain"; painting with bubbles.</p> <p>At home:</p>  <p>Painting using brushes</p>	<p style="text-align: center;">Science</p> <p>The topic this half term is science based. Pupils will be learning about floating and sinking; change of state; capacity, etc.</p> <p>At Home:</p> <p>Make ice and add different objects to it prior freezing-defrost the ice using different methods: warm water, salt or just observe ice melting in the sun!</p>	<p style="text-align: center;">Topic</p> <p>This half term our topic is called "Splish, Splash, Splosh!" The topic curriculum is split into weekly themes: Week 1: Floating and sinking Week 2: Change of state Week 3: Change of state Week 4: Water experiments Week 5: Personal Hygiene Week 6: Capacity Week 7: Water fun! As part of the topic all children will be visiting a splash park and Grove farm *pick your own fruits/veg).</p> <p>We will have science based carousel activities and water activities for pupils to take part throughout the term.</p>
<p style="text-align: center;">PE</p> <p>In Pe this half term pupils will be practising how to throw, ride bikes, use a parachute and will be preparing for the sports day!</p>	<p style="text-align: center;">Maths</p> <p>In maths this half term we will carry on using Numicon to help our understanding of quantity value. Some children will be using it to add 1 and 2 to another single digit.</p> <p>Pupils will also be developing their understanding of the 2D and 3D shapes and will explore them by building, rolling or matching them.</p> <p>At home: Look at the different objects and discuss the shapes that pupils can see!</p>	<p style="text-align: center;">Cooking</p> <p>During cooking this half-term, we will be making a range different milkshakes and shortbread biscuits..</p> <p>At home: Practice the skills of spreading, cutting, grating and opening and closing jars.</p> <p style="text-align: center;">Expressive arts.</p> <p>This half term pupils will be preparing for the East meets West Festival!</p>	<p style="text-align: center;">PSHE</p> <p>PSHE is a curriculum area of learning that is embedded in all that we do.</p> <p>In addition, this half-term we will be carrying on thinking about road and personal safety.</p> <p>At home: Encourage children to help with washing up.</p>
