

LEAVES NEWSLETTER

Stars of the Week in Leaves

Welcome to the Leaves weekly newsletter where you can catch up with our pathway.

This year there are five classes in the leaves pathway with children from year two to year six.

We will continue to work through three areas of maths, number, measure and using and applying while English in each class will be based on a different story.

This Half Term our Thematic Unit is based upon Luton Town - learning all about where we live and what Luton has to offer.

Our R.E. focus is Sikhism.

In PSHE our focus learning will be about who we want to be in the world and why.

Sapphire Class - Rafid for his excellent maths work this week.

Emerald Class - Zak for being very helpful in PE lessons.

Ruby Class - Elis for working hard to listen to adults.

Amber Class - Amber class for walking amazingly on their trip to bowling on Tuesday!

We have had a brilliant week in Sapphire Class this week. We have been very busy drawing owls for our topic, making pancakes, counting in tens and ones in maths and matching rhyming words in English. We have continued with dance this week in PE and in expressive arts we have started to learn a new dance routine. The children have tried really hard in handwriting and have written beautifully. They are continuing to enjoy hobbies and interests every week and are now able to shut down computers in ICT.

Emerald Class we have had a great and busy week. We enjoyed our Bowling Trip on Wednesday and showed off our bowling skills. In cookery we made savoury pancakes and they were healthy and delicious. Our classroom now has two disgusting, horrid and huge Mr Twit faces linked to our English story that we made in English which we really enjoyed doing.

Ruby class have had a wonderful week. We had a fun time on our trip to Pound Land and acted very sensibly, everyone was very proud of us. We are describing the Grandmother from George's marvelous medicine and how she acts towards George. In PE John has been very impressed with our Dance routines that we have made up.

Amber class have had a very busy week! We have been learning all about Luton and the areas of Luton that are famous. We had a great walk down to the town centre, saw the Hat factory and went bowling! The children waited patiently for their turn and had so much fun! In PSHE, we looked at the difference between needs and wants and the different needs and wants there are.
