

LEAVES NEWSLETTER

Stars of the Week in Leaves

Welcome to the Leaves weekly newsletter where you can catch up with our pathway.

This year there are five classes in the leaves pathway with children from year two to year six.

We will continue to work through three areas of maths, number, measure and using and applying while English in each class will be based on a different story.

This Half Term our Thematic Unit is based upon Luton Town - learning all about where we live and what Luton has to offer.

Our R.E. focus is Sikhism.

In PSHE our focus learning will be about who we want to be in the world and why.

Sapphire Class - Rafid for trying hard in all aspects of school life all of the time.

Emerald Class - George for trying hard to complete work tasks independently.

Ruby Class - Niall for being an amazing helper in the classroom to adults and his friends.

Amber Class - Junior for trying really hard to add money together in Maths and being a caring friend. Hanna for making good choices all week!

Opal Class - Alfie for SINGING happy birthday to his friend - something that usually makes Alfie feel very worried! Wow!

We have had another very exciting week in Sapphire Class. We have been very busy making Gruffalo decorations for our classroom door for the World Book Day door competition this week.

The children worked very hard making mouse, owl, fox and snake pictures with tissue paper, coloured cellophane, feathers, felt and straws. They all look amazing! The children started to learn a new dance routine in expressive arts this week and made lovely leaf rubbings in our thematic unit 'What can we see in the woods'.

They have shown how they can count forwards and backwards up to 50, and have enjoyed writing sentences about the Gruffalo.

They have also done very well answering questions in our speaking and listening session this week.

Emerald Class looked fantastic today ready for lots of World Book Day fun! We completed a character hunt in the woods to find our favourite book characters. We chose the Enormous Crocodile for our classroom door and decorated it with the front cover and the crocodile eating us. In PE with John we have been creating and performing our own dance routines to music and performing them for our friends.

Ruby class have had an amazing week learning more about George's Marvellous Medicine. They have written character descriptions for grumpy Grandma and mischievous George. World Book Day was spectacular - the children had an extra snack time treat of hot chocolate and pancakes. Delicious.

Opal class have all been grumpy on world book day! They have loved being in non-uniform and enjoyed getting out on our scavenger hunt to find the book characters who were hiding in the woods but we all seem a bit tired and ready for the weekend! Two of us had a fantastic time on the schools linking project today and we all loved having a birthday party on thursday!

This week in Amber class, we labelled the map of Luton and some of the surrounding areas. In English, we are continuing with our story The First Hippo on the Moon and created a moon for our display. In Cookery, we make Spaghetti Bolognese and we all gave it a try! On Friday, it was world book day! We read a story as a class, decorated our class door, created some bookmarks and went for a scavenger hunt! We had so much fun!
