

LEAVES NEWSLETTER

Stars of the Week in Leaves

Welcome to the Leaves weekly newsletter where you can catch up with our pathway.

This year there are five classes in the leaves pathway with children from year two to year six.

We will continue to work through three areas of maths, number, measure and using and applying while English in each class will be based on a different story.

This Half Term our Thematic Unit is based upon our world. Our question across the pathway is

How can we look after our world and the people on it?

In PSHE our focus learning will be about who we want to be in the world and why.

Sapphire Class - Tommy for participation in all our tasks this week and answering lots of questions.

Emerald Class - Zak for using his fantastic imagination when junk modelling.

Ruby Class - Caidon for trying so hard to tie his shoelaces. Harris for coming into Ruby class each day and enjoying each part of the day with his peers.

Amber Class - Sufiyan for completing class jobs independently every day.

Opal Class - Everyone for exemplary behaviour in the community on our trip!

Sapphire class have had a very exciting week this week. They have really enjoyed our Carnival Wow Day, making masks and shakers and dancing to carnival music using their shakers. They have been brilliant at adding and subtracting in maths this week and we have some very talented mathematicians in Sapphire Class! They enjoyed rhythmic gymnastics with John this week too!

Emerald Class had a fantastic first full week back. We have started to explore our learning focused around our English Book Giraffe's can't dance. We enjoyed showing each other our cool dance moves! We had such a fun Wow day on Wednesday. We used recycling from our homes and school to make junk models. We started to learn about why and how we can look after the world and made our own imaginative creations.

Ruby have had an incredible week and have made their new year's resolutions which they shared with the whole class. They have enjoyed junk modelling to create items for the Carnival day. The children have loved their new snack shop where they are using money to buy their food, write lists, verbally 'order' and describe using their senses. Amazing!

Opal class finally got to go on their long awaited trip this week. We went to Aldi and bought lots of practical things that Claire needed from her shopping list and bought some yummy treats to share in class. Then we went to Pizza Hut! Opal class behaved maturely and responsibly and made all the adults so very proud! Well done Opal Class!

Amber class has had a very busy week. We have been very excited to start our new English book focus called Giraffes can't dance. We had a great WOW day where we created shakers out of recycled materials. In Topic, we have started learning about the importance of looking after the world and in Home Economics we explored the different methods of cooking.
