

LEAVES NEWSLETTER

Welcome to the Leaves weekly newsletter where you can catch up with our pathway.

This year there are five classes in the leaves pathway with children from year two to year six.

We will continue to work through three areas of maths, number, measure and using and applying while English in each class will be based on a different story. This half term our PSHE learning is based all around "Independence" and finding our feet in our new classes.

Our thematic units are based around learning to answer one of the following;

- Which animals are not afraid of the dark?
- Which animals eat lunch at midnight?
- What makes nocturnal animals so special?

Stars Of The Week

Sapphire - Kacper for trying new foods in cookery this week.

Emerald - George for always being helpful to his friends and adults in class.

Ruby - Caidon for amazing English work.

Opal - Solan for growing in confidence with all his communication and sharing his ideas

Amber - Sufiyan for trying very hard in Maths.

We have had another wonderful week in Sapphire Class this week. The children really enjoyed their first cookery lesson this week making a cheese tomato and onion toastie. They practised their grating, chopping and spreading skills and enjoyed tasting the delicious toastie. They are also enjoying our dance sessions with Laura every week. They are becoming very accomplished artists and are now experts in collage making!

Opal class have been continuing to talk about Horrid Henry this week and all the bad habits we do not want to learn from him! We are really enjoying basketball in PE and have been practising our listening skills in our english lessons, retaining and decoding information we have heard.

Amber class had their first cookery lesson this week! The children enjoyed making and tasting different eggs (fried, scrambled and boiled). Amber class identified which type of egg they liked best. Amber Class have continued with basketball and dance which they all love.

This week in Emerald Class we enjoyed learning how to speak in different languages to celebrate World Language Day. We spoke about the languages that we speak at home and learnt some new ways to say hello and the names of colours. We have had some wonderful morning walks and have noticed how the trees and wildlife are preparing for winter.

Ruby class have enjoyed using eggs to bake cakes of different shapes and sizes. They have learnt a lot about where eggs and different foods come from. The children also had an amazing time on our school trip where we took the bus through the giant car wash to make it super clean! Ruby class talked a lot about the importance of keeping our body, home, belongings and self clean.
