

LEAVES NEWSLETTER

Welcome to the Leaves weekly newsletter where you can catch up with our pathway!

This half term our thematic units are ...

Who would you meet down on the farm?

Are all mini beasts scary?

Who has the biggest dinner in the jungle?

In English our stories are ...

Owl Babies

Billy and the Beast

Leonora Bolt Secret Inventor

The Day The Crayons Quit

In Art we are exploring different artists and their sculptures. We will be designing and creating our own sculpture in the style of our artist.

In Cookery we are learning about the Traffic Light System on food packaging and how we can use this to help us to make healthy food choices.

Stars Of The Week

Marie for fantastic English work.

D'Shaun for being so helpful and kind to his friends and adults always.

Elis for wonderful handwriting.

Alex for fantastic english work

What another busy week we have had in Ruby Class, this term seems to be flying by! In English we have continued to look at our story Billy and the Beast. We made masks to be scary like the Beast and used lots of fantastic adjectives to describe them, and we also made a wanted poster for him. In Maths we have been looking at Measure and using comparative language such as smaller, taller, bigger. In our Thematic Unit we had great fun looking at different minibeasts habitats, what they look like and where we may find them. We then had a go at collecting the resources outside and creating our own!

This week, Opal class particularly enjoyed learning about choosing, purchasing and making ready-meals for ourselves to support us in our adult lives. We looked at what the different symbols on packaging mean and how this tells us if food is culturally appropriate for us, where it needs to live or be stored and how it needs to be cooked. We have also been thinking about moving on to our new schools for those of us in year six and thinking generally about the future in PSHE.

This week in Emerald Class we have been researching about our favourite farm animal. We have been using books, videos and the internet to find out facts about our chosen animal. In Expressive Arts we have been learning cool dance moves and performing them for our friends. In PE we have started to practise for sports day and we are very excited.

Wow what a wonderful week this week in Amber class. They have absolutely loved the zoo today and have had a wonderful time. They all enjoyed cooking their ready meal on Tuesday afternoon and enjoyed finding all about predator and prey in our topic this week where we were looking at food chains. They are still loving our book 'Leonora Bolt - Secret Inventor', they are finding the story hilarious and highly entertaining. They are continuing to do really well collecting house points and showing our values.
