

LEAVES NEWSLETTER

Welcome to the Leaves weekly newsletter where you can catch up with our pathway!

This half term our thematic units are ...

Who would you meet down on the farm?

Are all mini beasts scary?

Who has the biggest dinner in the Jungle?

In English our stories are ...

Owl Babies

Billy and the Beast

Leonora Bolt Secret Inventor

The Day The Crayons Quit

In Art we are exploring different artists and their sculptures. We will be designing and creating our own sculpture in the style of our artist.

In Cookery we are learning about the Traffic Light System on food packaging and how we can use this to help us to make healthy food choices.

Stars Of The Week

D'Mari for lovely manners at all times

Yafi for trying really hard to regulate his emotions.

Luca for coping brilliantly when he went to visit his new secondary school

Opal - Maha for being a kind and supportive friend

In Emerald Class this week we have been thinking of our own questions we want to find out about Owls for our non-chronological report. In ICT we have been developing our coding and problem solving skills and in PE we have been working hard with John to learn how to use the Trampoline correctly.

This week Ruby Class had a wonderful trip to the zoo! The pupils loved seeing all the different animals, and despite the heat they were all superstars and had a wonderful time. In Maths we have looked at measure, focussing on key language such as big, bigger, biggest, tall, taller, tallest and small, smaller and smallest.

Opal class picked the hottest day of the year to go to the zoo this week but we had a brilliant time. We saw the elephants, giraffes and the tigers and noticed that even the african animals were hiding in the shade from the sun! Although it was very hot the children coped brilliantly and very much earned their ice-cream treats! Well done Opal Class!

Amber class started on their new topic this week: 'Who has the biggest feet in the jungle?'. The children enjoyed learning all about animals who live in the jungle. This week we designed a wanted poster in English and the children enjoyed drawing pictures of mean Uncle Luther! The children are really loving working with Bee Bots in ICT and sending them in all directions. We are continuing our PSHE topic on change and have been discussing how change makes us feel.
