

LEAVES NEWSLETTER

Welcome to the Leaves weekly newsletter where you can catch up with our pathway!

This half term our thematic units are all based around our PSHE curriculum.

We are all trying to answer the same fundamental question:

How do I keep myself healthy and safe?

We will be focussing on different objectives to suit our levels of understanding and building upon our knowledge year on year as we move up through the school and through our pathway.

In English our theme this half term is "Well known Authors" and our teachers are choosing between famous people such as Julia Donaldson, Anthony Brown, Emily Gavett, Quentin Blake, Roald Dahl, David Walliams.

In Cookery we are linking our learning to our topic and thinking about healthy recipes we can make independently.

Stars Of The Week

Ruby -. Hammad for Always having a go, even when he finds some work tricky!

Emerald - Layton for fantastic describing work about Mr Tickle.

Amber - Hanna For managing her behaviour really well this week and making good choices

Opal - Alfie B For spending lots of time with opal class and being amazing on our trip to woodlands

Amber Class have been measuring different items in the classroom using cubes and rulers. We are also learning what to do in an emergency in our thematic unity. We learnt how to make an emergency call and who to ask for in an emergency and how to recognise when an event is an emergency.

This week in Emerald Class the week, we have enjoyed having Tennis matches in PE. We tried very hard to concentrate and cheered for our friends. In English we worked hard to use all of what we have learnt to write character descriptions of our chosen Mr Men and Little Miss. We used special monster pencils when writing.

Opal class have had a busy week. We walked down to the playground in people's park and also went to the cafe at woodlands secondary school. This was a fantastic learning opportunity for all of us as not only are some of us moving on to woodlands in september but we practised our social skills of queuing, ordering, paying and waiting for change in a real life cafe. Opal class made us all very proud!

We have had another very busy week in Ruby Class! In English we have been looking at identifying adjectives and putting them into sentences. In Maths we have continued our work on 2D and 3D shapes, looking at their properties and trying to identify the odd one out from a group. In our Thematic Unit we have been looking at going out in the community and learning who is a safe stranger and who is not. Ruby class also had a fantastic time on our walk to the park!
