

LEAVES NEWSLETTER

Stars Of The Week

Amber Class: Dillon for being kind and a good friend to everyone

Ruby Class: Ismaeel for coping really well with new faces all week

Emerald Class: Maryam for communicating well with adults and peers

Opal Class: Afaan for getting on with his work independently in english and maths lessons

Welcome to the Leaves weekly newsletter where you can catch up with our pathway!

This half term our thematic units encompass the concept of "Plants, vegetables and fruits".

Our Thematic Units in Our classes this Half Term are 'How does a plant change and grow?'

'How can we grow our own salad?'

And 'How did that Blossom become an apple?'

In English we are exploring a range of different Rhyming texts and using these as examples to support us in writing our own.

In Cookery each class has picked their own recipe for everyone to make. They use the skills that we learnt last term.

In Amber class this week we have enjoyed writing an acrostic poem and continued with our taking away calculations in maths. We have enjoyed making cherry and chocolate cookies this week and enjoyed listening to a story about bullying and teasing in PSHE. We have been learning what parts of our bodies are private and should be covered by underwear this week in RSE.

Opal Class have coped brilliantly with change this week and should be very proud of themselves. We have continued to think about words that rhyme and finding the rhyming pairs in different stories and poems. In maths we have been talking about ordinal numbers. We are looking forward to a more normal week next week!

In Ruby class we have been continuing our work on a squash and a squeeze in english lessons. We have also been very clever and started working on part:whole models in maths! We really enjoyed our cookery this week and liked getting arty with our work on monet's waterlillies.

Emerald class have had a busy week! We made biscuits in cookery and tried to do as much as we could independently - following the instructions for ourselves! In english we have been using the word mats that we made ourselves to help us write sentences all about "In the tall grass".
