

LEAVES NEWSLETTER

Stars Of The Week

Welcome to the Leaves weekly newsletter where you can catch up with our pathway!

This half term our thematic units encompass the concept of "Once Upon A Time" Our younger pupils are thinking about the questions of:

"What does Cinderella need to have a Ball?" "Why should Goldilocks say sorry?" and "What materials should the Three Little Pigs have used to build their houses?"

In English we are exploring a range of different Traditional Tales. We are beginning with well-known tales and then moving onto alternatives of the tales.

This half term Ruby class, Amber class and Opal class are continuing swimming on Tuesday mornings.

All of Emerald Class for wonderful behaviour on our school trip!
D'mari for always being so kind to his friends and so helpful to adults.

Everyone for all working hard and having a great first term!

Mackenzie for trying hard to do the right thing even when he it is hard.

This week we have been busy in Ruby Class. In English we have been thinking about characters' speech, what they say in the story and thinking of what they could say differently. In Maths we have been looking at ordinal numbers, as well as continuing with greater than and less than. In Topic we have been recapping what we have covered over the half term and putting these PSHE skills into real life situation.

It's been another eventful week in Amber Class this week. The children enjoyed writing a letter to Santa this week and we walked to the post box on Thursday to post them. The children have all enjoyed all of the Christmas activities we have been doing this week; we have made Christmas cards and decorations. Amber class enjoyed their last swimming session this week and had fun playing in the pool together.

In Emerald Class this week we have been working hard to write our character descriptions of The Big Bad Wolf. We have worked hard to use different sentences starters. On Thursday we went to Town for our Secret Santa Trip it was so much fun! We have wrapped our gifts for our friends and they are waiting for them under our Christmas Tree!

Opal Class had their last swimming lesson of the year last week and we are very proud of them. Everyone has made progress and grown so much more confident in the water. We finished our topic work about materials and building houses and the children learned just what happens when they huff and puff a stick house with a hair-dryer! We have had fun decorating our Christmas tree and getting in the holiday spirit.
